Provost’s Research Grants Application

Name: ______________________________________ Rank: __________________________

Dept. & College: ____________________________

Research team (if applicable): Dept. & College:
__________________________________________ ______________________________________

__________________________________________ ______________________________________

Please upload the following documents:

Vita summary of previous research

Statement of Research Purpose (no more than 2 pages):
The statement of purpose should include:
   1. How this research fits in with your research agenda and your team’s research agenda.
   2. The impact you expect this research to have on your and your team’s research agenda

Research Project Proposal (no more than 2 pages)
The proposal should include:
   1. Your research question and the methods you intend to use to conduct your research.
   2. Anticipated outcomes from the grant and how receiving this grant will advance your future research and publishing.

Detailed list of resources and budgets (maximum amount for this grant is $1,500)
Please include a list of resources your team will require for the research project and their cost. This may be submitted as an itemized list or on an Excel spreadsheet.

Please print, complete, scan, and submit to facultydev@uark.edu.
